January 2021 Issue

## HOLLY RIDGE UPDATE

In preparation of the Master Plan for the park, the Town of Holly Ridge is asking for your feedback in the form of a survey.

The virtual survey is currently available at :

## RECENT PROGRESS

- The Town of Holly Ridge will be hosting a community meeting to solicit input on a Master Plan for the Town Parks and Recreation system as well as recreation programs offered by the town to residents and visitors. This is an opportunity to voice your perspective on existing parks, programs and recreation needs over the next 10 years. The meeting will be held at Town Hall from 5pm – 7pm on February 2<sup>nd</sup>, 2021. State requirements regarding assembly under COVID-19 will be adhered to. In addition to the meeting, a survey link can be found to the Town’s website and Facebook page so residents can participate virtually.
- The Public Works Department is scheduled to begin work on repairing a sink hole at 139 Belvedere Drive on Tuesdays, January 19<sup>th</sup>, 2021. The road will be closed to thru traffic. Estimated length of closure is two days, depending on what repairs need to be made, and weather permitting.
- The Town of Holly Ridge will be joining the JUMPO (Jacksonville Urban Metropolitan Planning Organization). JUMPO is the federally mandated, regional, multimodal transportation planning agency for the Jacksonville urbanized area. JUMPO’s focus is on long term regional planning with emphasis on corridor planning, mobility, congestion management, and safety. The Town will receive more local representation by joining forces with JUMPO.

## REMINDER

- Garbage collection occurs every Monday. Recycle collection occurs every second Friday (new garbage/recycling calendar available on Town’s website and Facebook page). Please note that yard debris will not be collected.
